Thanks. You too. I've been in Niagara Falls for months. I will have a few weeks back in NJ until August 1st. Will try to enjoy summer then.

Hello,

You have been identified as potentially having files covered by the attached FOIA submittal from Dan Telvock of the Investigative Post. I have also included an email from our legal adviser (Margo) regarding further interpretation, for your convenience.

If you have stuff to supply, contact me for file sharing purposes. Conversely, let me know if you don't have responsive materials – for the record. Thanks!

UPDATE

Hi Wanda,

Based on the documents that Eric saved to your R:drive, I think we need to approach Dilshad Perera, Mark Bellis, and Lyndsey Nguyen to see if they have any documents responsive to Dan Telvock's FOIA request. They were cc'ed on some of Eric's communications regarding the Holy Trinity Cemetery. I want to confirm that they did not independently reach out to "property representatives." Please let me know if you would like to discuss.

Thank you,

Margo

I have to scan some stuff that Paul Giardina gave me, although, he told me it might NOT be responsive. I actually took a superficially look at the files and they might not be...FYI

Hi Wanda,

Thank you for your email. I will take a look at the documents that Eric Daly saved to

your R: drive. Just to clarify, Eric is the only assignee with responsive documents?

UPDATE

Hi Margo,

I have received input from all assignees (whether a small # of pages or simply no docs input). Eric saved his own stuff on my R. The files are here for your review:

R:\WCALDERO\Telvock May 17th FOIA EPA-R2-2016-006723

Let me know if you need me to do anything else (other than online final preparation).
Thanks and enjoy your weekend!

As per our conversation this date I do not have any information that meets the FOIA process in question. Have a great day!

Hello and good morning Mike,

A gentle reminder that I'll need your input at your earliest. If you don't have anything to supply, that's fine, I'll reflect it in the record. Let me know though....have a great day and weekend! Thanks!

Hi,

You have been identified as potentially having files that are covered by the attached FOIA submitted by Mr. Telvock on May 17th. While the correspondence portion of this FOIA **may** overlap with Mr. Telvock's previous one (closed out this past February), your records search should include January 2015 files thru 5/17th.

Let me know if you will have stuff to supply (or not), we can discuss file sharing options at that point. Thanks!
